TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the

ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air brake.

It is possitively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

The "St. Louis & Southeastern"

is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to C. S. BARRETT, Southern Passenger Agent, Postoffice Box 242, Chattanooga Tenn., or to the undersigned.

General Ticket Agent, St. Louis.

The Evening Post.

WILMINGTON, N. C.

Wednesday, December 3d, 1873.

The position of the democracy upon the back salary is well—illustrated by their recent complimentary vote for Fernando Wood for Speaker of the House of Representatives. It will be remembered that when the salary bill was before the House, and the proposition of Mr. Sargent to raise the salary to $7,500 was voted on and lost, Mr. Wood rose in his place and changed his vote from no to aye—thus securing its passage. Hon. S. F. Cox who spoke and voted against the salary bill, and returned his back pay promptly, was in the democratic caucus, put up against Mr. Wood for the Speakership, and failed to get the nomination.

The certainty of a peaceful solution of the Virginius question cannot be assumed; else why does the immense and expensive preparations for war continue? The activity manifested both in the United States and Cuba is not an earnest of peace. The Cuban press, boldly denies the authority and power of the Madrid government to enforce the terms of the lately concluded protocol. A few days more, perhaps, will open a still more exciting act in the drama.

GENERAL ASSEMBLY.

[Condensed from the Raleigh News.]

TWELFTH DAY'S PROCEEDINGS.

SENATE.

MONDAY, Dec. 1.

Senate met at 11 o'clock, Lieutenant Governor in the chair.

The President announced the Special Committee on Military Affairs, viz: Messrs. Morehead of Guilford, Johnson and Cowles.

Reports from Standing Committees were submitted by Messrs. Allen, Morehead, of Guilford, Todd and Grandy from Judiciary Committee, Mr. Welch from Committee on Corporations, Mr. Love from Committee on Propositions and Grievances, Mr. Price from Judiciary Committee.

Introduction of Bills and Petitions.

By Mr. Grandy, a bill to alter the Constitution of North Carolina. Referred to Judiciary Committee.

By Mr. Humphrey, a bill to amend sec. 16, chap. 1, title 4, of Battle's Revisal. Referred to Judiciary Committee.

By Mr. Allen, a bill to amend chap. 61, entitled Landlord and Tenant, of Battle's Revisal. Referred to Judiciary Committee.

By Mr. Norwood, a bill concerning the prosecution of suits. Referred to Judiciary Committee.

By Mr. Troy, a bill to give the county of Cumberland three terms of the Superior Court and regulating the times thereof. Referred to Judiciary Committee.

By Mr. Mabson: A bill relating to the city of Wilmington. The bill amends the charter of the city of Wilmington in some unimportant particulars. Under a suspension of the rules the bill passed its several readings, and, on motion of Mr. Mabson, the vote by which the bill passed its third reading was reconsidered and that motion laid on the table.

By Mr. Cowles: A bill in relation to fees of Justices of the Peace. Referred to Judiciary Committee.

By Mr. Ellis, of Catawba: A bill to amend chapter 38 of Battle's Revisal. Referred to Judiciary Committee.

Motions and Resolutions.

On motion of Mr. Ellis, of Columbus, the bill relating to the city of Wilmington was ordered to be engrossed and sent to the House.

The motion of Mr. Allen, that the report of the Joint Committee on "what effect the Constitutional Amendments would have on the present session of the General Assembly," as read in the House, be concurred in, was discussed at considerable length.

Mr. Ellis, of Columbus, thought the adoption of the report of the Committee would dissolve the General Assembly.

Messrs. Morehead, of Guilford, and Allen, as members of this Committee, made explanatory speeches in regard to the legal points discussed in the Committee meeting, and presented strong legal points to show the position taken by Mr. Ellis to be incorrect.

Mr. Welch concurred in the views expressed by the Senators from Guilford and Wayne, and argued upon the strict legality of the continuance of the Assembly for the two years for which the members were elected.

Mr. Humphrey could not see the legal reason why the report of the Committee should not be adopted, thought it eminently proper, and favored its adoption.

Mr. Grandy coincided fully with the Senator from Columbus, Mr. Ellis, and thought that the continuing of the present session of the General Assembly was beyond the pale of the Constitution. The voice of the sovereign people of North Carolina had been heard on this subject, and he was in favor of obeying that voice.

The discussion continued for some time, Messrs. Harriss, Morehead, of Guilford, and Norwood for, and Mr. Ellis, of Columbus against.

The report of the Committee was adopted.

Mr. Troy moved a suspension of the rules in order to take up a bill to postpone the counting of the vote on the Constitutional Amendments till April.

The Senate refused to suspend the rules and the motion was lost.

By Mr. Cramer, a resolution to let out the public printing to the lowest bidder. Being a concurrent resolution lies over for one day.

By Mr. Grandy, a resolution to authorize and request R. B. Creecy to continue the history of North Carolina from the time Dr. Hawks left off, &c. Lies over as a concurrent resolution.

On motion of Mr. Gudger, the resolution in favor of Hon. J. L. Henry (provides for the payment to Judge Henry $350 for holding Courts of Oyer and Terminer in several Western counties) was taken up under a suspension of the rules, and passed its several readings by a vote of 17 ayes to 15 nayes.

On motion of Mr. Morehead, of Guilford, the rules were suspended to take up the bill to complete the Western North Carolina railroad, and made it the special order for 11:30 to-morrow.

Calender.

The resolution in regard to Public Printing, introduced by Mr. Cunningham, which provides for the ratification of the action of the committee on Public Printing, was taken up.

Mr. Allen moved to indefinitely postpone.

Mr. Gudger at some length opposed the motion to postpone, using the same argument that he did on Saturday.

Messrs. Norwood and Troy favored the motion, and Mr. Harriss, opposed.

The motion to postpone prevailed by 19 ayes to 16 nays.

The resolution on adjournment, offered by Mr. Love, was taken up. The resolution provides for the adjournment of the General Assembly *sine die* on the 24th of December.

Mr. Welch opposed the motion, stating that we were here to work for the interest of the people, and we were not performing our duty to our constituents by hurrying over and neglecting important legislation. He was willing and anxious for an early adjournment, but not at the sacrifice of the people's interest.

Mr. Waring coincided with the remarks of Mr. Welch, further stating that it was a notorious fact that a quorum is seldom ever present two or three days before a fixed day for adjournment.

Mr. Norwood thought the passage of the resolution would hurry up business and return absent members to their seats.

Mr. Morehead, of Guilford, thought the business could be dispatched by the day moved, and if not the resolution could be rescinded. He favored the views expressed by Mr. Norwood.

Mr. Morehead, of Rockingham, called the previous question, and the resolution was adopted by 28 ayes to 6 nays.

Adjourned till 11 o'clock to-morrow.

The Grand Lodge of Ancient Free and Accepted Masons of North Carolina met in this city at Masonic Hall, last evening.

The represention from Subordinate Lodges was very large.

The Grand Lodge was opened in ample form by John Nichols, Esq., Most Worshipful Grand Master, who proceeded to deliver his annual address. The address was lengthy, instructive and eloquent and was listened to with deep attention. It was smooth in diction, vigorous in application and delivered with a becoming and harmonious blending of modesty and grace.

He congratulated the Grand Body upon its asssembling again under such favorable auspices and touchingly alluded to deep sense of thankfulness which the fraternity should feel for the numerous blessings which a benificent Providence has vouchsafed to them as individuals and as an order. He charged all to cherish that fraternal harmony and affection which had ever been a bright and shining characteristic of the Order.

The speaker then entered into a rapid but comprehensive review of the history of the Masonic Order in the State, and dwelt with pride upon the fact that such good men, pure patriots and polished scholars as Richard Caswell, Samuel Johnston, Wm. R. Davie, Wm. Polk, John Louis Taylor, Mountford Stokes, John Hall and others had been earnest and active Masons, and whose names are to be found in the list of those who had reorganized the Grand Lodge of the State eighty-six years ago at Tarboro. He recommended that a Committee be appointed to collect and preserve in a proper way all the material valuable to the promotion of an accurate history of this State. The Grand Master urged this recommendation at some length as he regarded it as a matter of paramount importance.

He recommended that a committee be appointed to prepare a digest of the decisions of the several Grand Masters which had not been overruled; it was also vigorously urged as a great aid to the officers of subordinate Lodges, &c., and tending to greatly facilitate the dissemination of Masonic knowledge in their midst, besides operating to give greater dispatch to the business of the Grand Lodge. He thought the present plan of publishing the names of suspended and expelled Masons highly objectionable, and made a number of suggestions of improvement in this particular.

The Grand Master said that six dispensations had been granted during the year, for their names, locations, &c., a reference should be made to the Report of the Grand Secretary.

THE OXFORD ORPHAN ASYLUM

was next alluded to, and an interesting sketch of the institution given. In concluding his remarks upon this subject, the Grand Master made an eloquent and feeling appeal for the tender fostering of this noble charity. The claims that the orphans have upon the tenderest impulses of humanity and the best defined principles of christianity were urged in impressive and fervid eloquence.

The Grand Master paid a beautiful and tender tribute to the memory of that good man, the late Rev. Numa F. Reid, D. D., Past Grand Chaplin of this Grand Lodge, and to Levi L. Stevenson, Past Grand Lecturer.

The Grand Master appointed the various standing and special committees, after which the Lodge was called from labor till to-morrow at 10 o'clock.—*Raleigh News.*

THE SUN.

WEEKLY, SEMI-WEEKLY, AND DAILY.

THE WEEKLY SUN is too widely known to require any extended recommendation, but the reasons which have already given it fifty thousand subscribers, and which will, we hope, give it many thousands more are briefly as follows,

It is a first rate newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always presented in a clear, intelligible, and interesting manner.

It is a first rate family paper, full of entertaining and instructive reading of every kind, but containing nothing that can offend the most delicate and scrupulous taste.

It is a first rate story paper. The best tales and romances of current literature are carefully selected and legibly printed in its pages.

It is a first rate agricultural paper. The most fresh and instructive articles on agricultural topics regularly appear in this department.

It is an independent political paper, belonging to no party and wearing no color.—It fights for principle, and for the election of the best men to office. It especially devotes its energies to the exposure of the great corruptions that now weaken and disgrace our country and threaten to undermine republican institutions altogether. It has no fear of knaves, and asks no favors from their supporters.

It reports the fashions for the ladies and the markets for the men, especially the cattle markets, to which it pays particular attention.

Finally, it is the cheapest paper pulished. One dollar a year will secure it for any subscriber. It is not necessary to get up a club in order to have THE WEEKLY SUN at this rate. Any one who sends a single dollar will get the paper for a year.

We have no traveling agents.

THE WEEKLY SUN.—Eight pages, fifty six columns. Only $1 00 a year. No discounts from this rule.

THE SEMI-WEEKLY SUN.—Same size as the Daily Sun, $2 00 a pear. A discount of 20 per cent. to clubs of 10 or over.

THE DAILY SUN.—A large four page newspaper of twenty eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription price 50 cents a month, or $6 00 a year. To clubs of 10 or over, a discount of 20 per cent. Address

Resolutions

Concerning Bridges over Wilmington and Weldon Railroad in the City of Wilmington, N. C.

WHEREAS, THE "CUT" MADE BY the Wilmington and Weldon Railroad Company in the construction of their Railroad, where the same crosses or intersects the streets in the city greatly impedes the passage of travellers and tends to the manifest injury of the citizens.

AND WHEREAS, The Board of Aldermen are advised that it is the duty of the said Wilmington and Weldon Railroad Company to erect and maintain bridges across such cuts where the same cross or intersect the streets in the city, therefore,

BE IT RESOLVED BY THE BOARD OF ALDERMEN, That in their opinion the public necessity demands the erection of bridges at the following points where the said Railroad intersects the following streets to wit: Second Street, Third Street, Fifth Street, Sixth Street, Seventh Street and MacRae Street.

RESOLVED, That in the opinion of this Board, the width of the bridges over said Railroad cut or excavation on Second Street should be thirty feet wide, on Third Street forty feet wide, on Fifth Street forty feet wide, on Sixth Street Twenty-five feet wide, on Seventh Street, twenty feet wide, on McRae Street twenty feet wide.

RESOLVED, That in the opinion of this Board, the Bridge known as Boney Bridge, where the Railroad crosses Fourth Street, is so narrow as to impede the passage of travellers on the same, and that a bridge of fifty feet wide would be necessary to accommodate the public at that point,

RESOLVED, That the Mayor cause a copy of these Resolutions to be served upon the President or Managing Agent of the Wilmington and Weldon Railroad Company, and that he direct the officer serving the notice to return a copy thereof, with the manner of service, to the office of the Clerk and Treasurer of the City.

The above Preamble and Resolutions were passed by the Board of Aldermen at their meeting November 21st, 1873.

QUICK TIME.—From a gentleman just returned from Raleigh, we obtained some information of the rapid legislation which made the bill amending the city charter become a law on Monday last. The bill was introduced under a suspension of the rules, rushed through its final passage, and a future reconsideration prevented, all, in forty-five minutes! Of course there was some lobbying, and how it was done, will be thoroughly known in a few days.

— Sheriff Black has returned.

— General Abbott is in the city.

— The explosions at the Fibre works are loud.

— County Commissioners adjourned last night till next Monday.

— The sound of the hammer is constant somewhere in our neighborhood.

THE marriage records of New Hanover county indicate nothing like suspension in the business, nor shrinkage in the human affections. The same we suppose can be said of every county in the State.

THERE has been eight hundred and sixty-five tons of Liverpool salt brought into this port in the past two days and from the Captain of a foreign vessel we learn that there is now five vessels loading with salt, in Swansea, for this port. There will be no excuse for unsound meat next summer.

EVERY indication points ta a successfull Fair this year of the Cape Fear Agricultural association. Several fine trotting horses are expected to arrive to-day and to-morrow, and several are already here. Many articles have already been entered and every mail brings letters entering others.

ELEGANT GEM.—On exhibition at the jewelry establishment of Messrs. T. W. Brown & Son, is the magnificent breach loading double-barrell shot gun, which is to be put up as a prize for the best shot at our Fair, which commences on the 9th. The contest will be one of universal interest as several of our Nimrods are going to essay for the championship.

WHAT'S HIS OBJECT?—A colored man walking along Water street on Monday night completely demolished a couple of panes of glass in the show window of one of the grocery stores. The man was rather defiant in his manner when stopped by Mr. Wessell, the proprietor of the store, and seemed to be perfectly indifferent as to the condition in which he had placed the window. Mr. Wessell essayed to get a policeman, but could not find one, and he was compelled to let the man go unpunished. As there are a great many store windows robbed, we opine that it was the intention of the man to rob the window later in the night.

Statesville has gone to manufacturing sulky plows.

The Mt. Airy *Visitor* says: On Saturday night last, about 9 o'clock a shooting affray took place between two colored men, in the suburbs of Mt. Airy, resulting in the shooting of one of the parties through the thigh. The one that done the shooting was arrested and sent to the county jail, to await his trial at the next term of the Superior Court.

The Raleigh *News* says: In the report to Congress of A. A. Mullett, Supervising Architect of the Public Buildings of the United States, it is asserted that neither labor nor material adequate could be procured at that place to erect the proposed goverment building out of granite, and purposes therefore to build the same out of brick. Either Mr. Mullett don't know what he is talking about, or somebody has lied to him most abominably.

The Newbern Times regrets to chronicle the burning of a barn on the Myrtle Grove plantation, Craven county, the property of Dr. James W. Gray, of that city. The fire was the work of an incendiary and occurred on Friday night last, at 8 o'clock. The loss sustained will exceed $1,000. No insurance. Dr. Gray in saving his mules, was severely burned about the face and right hand. The barn was a large one and contained hay, cotton, grain, farming tools and stock. The stock was all saved except one mule.

The colored missionary Baptists of Tarboro have been holding a Festival.

A colored woman fell from a cart in Newbern on Friday morning and broke her wrist.

James Belton, of Mt. Airy, fell off a wagon, last week, and was run over and got his leg broke; he is recovering.

An at tempt at highway robbery was attempted on Mr. Robert Capps, on Wednesday evening, in Nutbush township, Warren county.

Mr. James Taylor, of Mt. Airy, got his leg badly broken, a few days ago, by being accidently thrown under the feet of a drove of mules.

On Wednesday the cotton house of Major Kemp Plummer, near Warrenton, was destroyed by fire. Some ten bags of cotton were consumed.

A New York drummer feel from the piazza of the second story of the Stonewall House, Tarboro, on Monday of last week, and came near killing himself.

Ephriam Midkiff, who resides near Mt. Airy, was cutting timber when, in felling a tree, he was struck by a limb and got his collar-bone broken. He is slowly recovering.

U. S. CIRCUIT COURT.

The Special Tax Injunction Case.

The argument of this case yesterday consumed the time of the Federal Court. The defence occupied the day. Messrs. K. P. Battle, John Gatling, and W. N. H. Smith spoke, and the following points in substance were made in the argument:

1. That this suit is really an application for a mandamus, which the Circuit Court has no power to grant.

2. It is a suit really against the State. It being against the Treasury as such, who is an officer of the Executive Department. If such suits can prevail, the Treasury may be emptied and the State destroyed.

3. If not against the State and therefore forbidden by the 11th amendment to the Constitution of the United States, it is against an instrumentality of the State Government necessary to its existence. Many cases were cited showing that a State cannot interfere with Federal machinery, nor par contra the United States with State machinery.

4. If a suit lies against any officer it lies against the Auditor, as the Treasurer can do nothing with the money of the State except on the Auditor's warrant.

5 There is no appropriation act, and the money cannot be used to pay these coupons except on the Auditor's warrant, which cannot be given without an appropriation act.

6. Neither mandamus nor injunction lies against the Treasurer, Auditor, &c., to interfere with the exercise of the duties of his office.

Many cases were cited from the reports of the Supreme Court of this State and the United States to maintain this position.

6. No case exists where any Court has ever assumed to take money out of either the State or United States Treasury. It has been conceded that money after being paid into the State Treasury cannot be reached by judicial process.

7. The Revenue Act of 1872–'73 directs that the moneys received shall be applied in certain ways, and the State Constitution provides that they shall not be diverted to any other purpose.—the former Treasurer has misapplied funds in the Treasury, (which was not admitted), this wrong cannot be rectified by taking moneys in the hands of a new Treasurer belonging to the State, and specially devoted to other purposes.

(N. B.—The special taxes were appropriated to general purposes by Treasurer Jenkins during his first term.)

8. The special tax bonds are all void, as violating the "equation of taxation."

9. The Constitution uses the word "property" as not including credits, &c. The special tax acts are void because they tax only "property," not including credits, &c.

10. The plaintiff and all other holders of special tax bonds had reason to know from the character of the acts and the circumstances under which they were issued and sold that they were fraudulently issued and sold, and are not on the State.

11. It was insisted that in no event should the Court grant any injunction before the final hearing, as there is no danger to the plaintiffs by delay.

The argument was only in the case of the special tax money raised for the bonds issued to the Wilmington, Charlotte & Rutherford Railroad Company In the cases involving the moneys raised for the Western Railroad Company and the Western North Carolina Railroad Company. it will be insisted that there have been such charges in their charter as to make them *new roads*, and in the Wilmington and Tarboro Railroad case that it was altogether a *new road*, and that the Legislature had no power to aid either of the three roads without submitting the question to a vote of the people.

We have given only a meagre synopsis of the points brought forward. They were enforced with great variety of illustration and references to decisions in Federal and State Courts.

At 1:30 the Court adjourned until Monday morning 10 o'clock, when R. C. Badger will speak for the plaintiff and be fallowed by Hon. Reverdy Johnson. —*News*.

LONDON, December 3.

A Berlin dispatch states that the city of Posen will probably be declared in a state of seige, in consequence of ultramontane agitation.

All vie in comforting the Ville du Harre's rescued. Much valuable time was lost in lowering the boats—two orders were given and the officers were distracted, each helped himself. As the long boat contained no first class passengers the sailors and coal boys rushed and took possession of it. All rescues being effected subsequently. No life preservers were in the proper place.

PROSPECTUS.

THE EVENING POST.

J. C. MANN,

EDITOR & PROPRIETOR.

Published every evening, except Sunday, at

Five Dollars per Annum.

The Post is designed to reach all classes of citizens, and its subscription price is therefore placed so low as to be within the reach of all. It contains the

LATEST NEWS,

up to the time of going to press,

TELEGRAPHIC,
BY MAIL,
COMMERCIAL
AND LOCAL.

It should be in the hands of every man who desires to know what has transpired during the day, and, as it aims to give

RELIABLE INTELLIGENCE,

its publisher hopes it will prove a welcome guest in many families.

THE POST

is sprightly without being sensational, and it carefully excludes all objectionable incidents and reports calculated to offend the sensibilities of the most fastidious. As an

Advertising Medium

it claims to be first class. It has a good and constantly increasing circulation, and is read by almost every business man in the city. Politically the POST is

UNSWERVINGLY REPUBLICAN.

Its editor having been a consistent member of that party since 1855, through its vicisitudes and triumphs, he claims to speak advisedly when advocating its principles. He is not, however an "extremist," and accords to others what he claims for himself, the right of free thought and of free speech.

THE ADVERTISING RATES of the POST, like its subscription price, are at liberal and at living prices, as an examination of them will show, and it bespeaks a share of public patronage.

THE EVENING POST

is closely identified with the local welfare of the Cape Fear region, and the believers in progress, whether

EDUCATIONAL,
AGRICULTURAL,
MECHANICAL, or
COMMERCIAL,

will find an enthusiastic ally in THE POST.

THE POST

is opposed to monopolies, but in favor of internal improvements, and a firm believer in the patronage and support of home enterprises and institutions.
